Aspiring Technology Consultant | Case Competition Winner | IT Risk & Data Strategy

EDUCATION

C. T. Bauer College of Business | University of Houston

Bachelor of Business Administration in Management Information Systems *(GPA: 3.70/4.00)* **December 2027**

Certifications: Microsoft Excel Associate | Databricks Fundamentals | Claude Certified Architect

Tools: Excel | PowerPoint | SAP S/4HANA | SQL | Databricks | Azure DevOps

WORK EXPERIENCE

Hilcorp | *Business Intelligence Intern* **May 2026 – August 2026**

- Led migration and redesign of 5 Finance & Accounting data domains, cutting refresh time and costs
- Replaced legacy reporting views with self-serve dashboards, giving 20+ Finance & Accounting users access
- Piloted an AI-driven tool that cut variance-commentary turnaround by a third, improving speed
- Authored onboarding documentation that cut new-hire ramp-up time from 3-4 weeks to one week

EY | *Technology Risk Virtual Experience Program* **March 2026**

- Studied IT General Controls (ITGCs) and typical IT risk processes in a simulated technology audit engagement
- Drafted probing, open-ended, and fact-gathering questions for simulated IT risk client interviews
- Applied professional skepticism and risk analysis to evaluate internal controls in a client scenario
- Exchanged feedback with a simulated engagement team across 5 tasks to strengthen teaming approach

Wayfair | *AI Automation Extern* **November 2025 – January 2026**

- Led development of automated competitor monitoring across major online stores, using 5+ APIs
- Built a market-trend-to-design pipeline that cut ideation time by ~5x, accelerating the product design process
- Synthesized competitive intelligence from 4+ sources into product proposals for faster development
- Quantified automation ROI for leadership, saving 10+ hours weekly versus manual work

PROJECTS

Deloitte Consulting – Case Competition | 1st Place | *Team Lead*

- Won 1st place among competing teams, delivering a rigorous, executive-level final pitch to a Deloitte panel
- Directed a 4-person team through a structured case engagement, delivering client-ready work by deadline
- Cleansed and consolidated client datasets in Excel, correcting errors to sharpen strategic insight
- Formulated a supply chain strategy via root-cause analysis, projecting 35% in cost savings

Crowe – Case Competition | *Team Lead*

- Built a Dual-Shore sourcing model for a $48M Gen Z apparel brand as team lead of 4, balancing cost and speed
- Shifted 30% of production to Mexico, reclaiming roughly $2.40 per unit in landed costs across the network
- Defended a 52% gross margin by pairing a sustainability narrative with a 10-12% consumer price lift
- Mapped an 18-month phased deployment roadmap, projecting $5.1M in added annual revenue for the brand

Shell – Case Competition | *Team Lead*

- Led an 8-person team comparing 3 petroleum-derived alternatives on cost, sustainability, and safety
- Benchmarked Vaseline ($5.49) against shea and cocoa butter ($9-20/unit) on cost and sustainability
- Crafted a go-to-market framework for consumers and industries, tracked via milestone syncs
- Analyzed survey data showing consumers pay $5-10 for cocoa butter to quantify price sensitivity

LEADERSHIP EXPERIENCE

Management Information Systems Student Organization (MISSO) | *Member* **August 2025 – Present**

Professional Development Committee Fall 2026, Spring 2026, Fall 2025

- Leverage seminars on digital transformation to bridge business strategy with technical execution
- Work alongside committees to co-develop initiatives, streamlining planning and logistics
